bcps.schoology

Getting Started with the Schoology Mobile App

Families can access Schoology through the Schoology Mobile App to check student grades, communicate with teachers, and much more! **While students already have Schoology accounts, families will need to create a myBCPS account prior to logging in to the Schoology Mobile App.** Click here for directions for creating a myBCPS Account.

1. Search for the **Schoology App** in the **App Store (iOS devices)** or in the **Google Play Store (Android devices)**. Click **Get** or **Install** to download the Schoology App on to your mobile device.	*App Store* *Google Play Store*
2. When the app is opened, you will be asked to **Log in through your School**. Type **Baltimore County Public Schools** into the search box and click the arrow. Select the **Baltimore County Public Schools** option with the green dot.	3. Finally, you will see the BCPS log in screen. Use your myBCPS Account information to log in to the Schoology App. ***Families will need to create a myBCPS account prior to logging in to Schoology Mobile App.*** ***Click here for directions for creating a myBCPS Account.***
